OM RAMAKANT PARVATE

BCA STUDENT | FULL-STACK WEB DEVELOPER

Jalgaon, Maharashtra, India • 97674 13327 • ramakantparvate@gmail.com

PROFESSIONAL SUMMARY

BCA student and aspiring full-stack developer with hands-on experience building responsive web interfaces, backend APIs, database-backed features, authentication, and production deployments. Familiar with modern JavaScript/TypeScript development, Python APIs, PostgreSQL, API integration, application security, and AI-powered analytics concepts. Eager to contribute to a development team and continue learning through real-world work.

TECHNICAL SKILLS

Programming & Web	JavaScript, TypeScript, Python, PHP, HTML5, CSS3
Frontend	Next.js, React fundamentals, responsive UI development
Backend & APIs	FastAPI, REST APIs, API integration, input validation, error handling
Databases	PostgreSQL, MySQL, SQL, database design, business-data isolation
Security	JWT authentication, authorization, CORS, secure API practices
Tools & Deployment	Git, GitHub, Vercel, Render, Neon PostgreSQL
AI & Analytics	AI-assisted business insights, dashboards, revenue analytics, forecasting, smart alerts

DEVELOPMENT EXPERIENCE

- Built and integrated frontend pages with backend endpoints using environment-based API configuration.
- Implemented authentication-aware workflows and worked with user/business-scoped data access.
- Worked with real database-backed dashboards, revenue and expense calculations, inventory/customer data, and business insights.
- Practiced API validation, transaction integrity, error handling, and production configuration across frontend and backend.
- Used Git/GitHub workflows and deployed web applications using Vercel, Render, and Neon PostgreSQL.

EDUCATION

Bachelor of Computer Applications (BCA)	KCES Institute of Management Research, Jalgaon	2024–2027 3rd Year
Higher Secondary Certificate (12th) — Commerce	Maharashtra State Board	Completed
Secondary School Certificate (10th)	Maharashtra State Board	Completed

STRENGTHS

Quick learner • Problem-solving • Attention to detail • Practical debugging • Team collaboration • Continuous learning
